

Desktop SIP Phone

GT210

Simple and reliable SIP Phone

Simple SIP phone for small business users, the GT210 delivers a user-friendly VoIP calling experience in a very easy-to-use SIP phone. The GT210 offers support for 1 line, 2 call appearances and includes 3-way voice conferencing to maximize productivity. Additional features include LCD screen for easy viewing, 3 XML programmable soft keys for customization, 10/100 Mbps ports, integrated PoE, EHS support for Plantronics headsets and multi-language support. These features allow the GT210 to be a high-quality small business SIP phone that is simple and easy-to-use.
